

Introducing 'Wellie and Waterproof Wednesdays' and playfulness using natural materials in the great outdoors; while enhancing thinking skills and personal capabilities and strengthening collaboration with older peers.

Who will this involve?

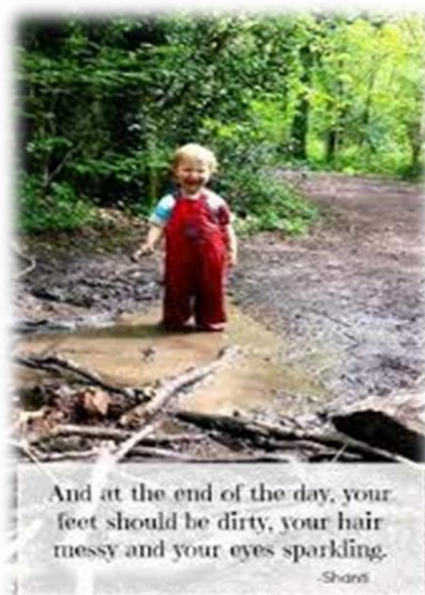

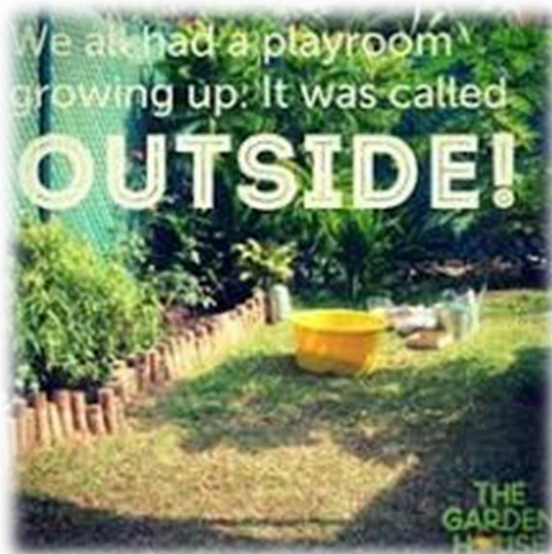

Primary 1 and 4 children from either Primary 4, 5, 6 or 7 selected at random each week.

What do we need to bring?

Primary 1 - A waterproof suit and wellie boots to school each Wednesday as we are going outside whatever the weather!

Peer helpers will be selected on a Tuesday afternoon and need the same items of clothing and footwear.

Why are we doing this?

How can you help?

Before this can happen we need to work together to gather useful resources to inspire our play. We are looking for the following;

- pebbles from the beach
- shells
- old tyres
- old cable reels
- tubing
- guttering
- crates
- pallets
- logs
- old pots, pans, buckets
- small tiles to make mosaic pictures
- anything else lying around that could be turned into something new

Your help in gathering these would be much appreciated and enable us to begin this new adventure. If you have anything useful please see Mr.Hamilton or Mrs.Burns.

Wherever there are beginners and experts, old and young, there is some kind of learning going on, and some sort of teaching. We are all pupils and we are all teachers.
