An information pack to support children during the transition from primary to secondary school

Ready to go...

The text 'Ready to go...' is written in a playful, hand-drawn style. The word 'Ready' is in a large, bold, blue font with a white outline. The word 'to' is in a smaller, blue font with a white outline. The word 'go' is in a blue font with a white outline, followed by three small circles indicating motion. There are five stars scattered around the text: a pink star above 'Ready', a yellow star above 'to', a yellow star below 'Ready', an orange star below 'to', and a yellow star below 'go'.
