The Board of Governors of St Patrick's College, Banbridge has determined that the following criteria shall be applied by the Governors, in the event of the number of pupils applying for places in Year 8 in September 2023 being greater than the admissions number, in the order set down below. In selecting children for admission, children resident in Northern Ireland at the time of their proposed admission to the school will be selected before any child not so resident.

1. Pupils who normally reside in the following parishes (not listed in any order of preference).

Banbridge	Dromore	Tullylish	Magheralin

Drumgooland	Glenn		
2. Pupils who have brothers/sisters, half-brothers/half-sisters presently enrolled in the school or are the eldest child in family.
3. Pupils for whom St Patrick's College, Banbridge is the nearest maintained post-primary school.
4. In the event of oversubscription within any of the above criteria the following sub-criteria will be applied, as appropriate to identify which children should be admitted.
 - (i) Pupils regarded by the Board of Governors, on the basis of supporting evidence provided by parents and/or statutory agencies, as having Special Circumstances, e.g. medical, social or security factors.
 - (ii) Pupils will be selected on the basis of proximity of parents'/guardians' home to the school as measured by the shortest walking route by public thoroughfare. Priority will be given to those nearest to the school.

DUTY TO VERIFY

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any applicant’s Transfer Application.

If the requested evidence is not provided to the Board of Governors by the deadline given, this will result in the withdrawal of an offer of a place. Similarly, if information is supplied which appears to be false or misleading in any material way, the offer of a place will be withdrawn.
