

Online Payments

New!

To reduce the risk of COVID, we are moving to online payments for **EVERYTHING**, including dinners, from Friday 2nd October.

Contact your own bank to set up online banking.

New!

Every online payment **MUST** include the following so we can credit payments correctly:

1. Your **family reference number** _____
2. Note of what is being paid (e.g. milk, nursery fund, dinner, etc.)

Make your payment into the correct account

- **Primary School account** (sort code: 902194, acct no: 23462101)
- **Nursery Fund account** (sort code: 902194, acct no.: 15722719) - only for Nursery Fund (dinners for nursery are paid into the Primary School account)

Everything needs to be **paid in advance**, as we don't have the funds to cover late payments. *Until Friday 2nd October, cash/cheque payments will be accepted as normal, with cheques for dinners made payable to the Education Authority. **No change will be given.** After this date, everything must be paid online.*

If you would like to discuss anything financial, please see Mr. O'Neill or Mrs. Dale.
