Parental Curriculum Engagement Meetings

As part of our aim to improve home school partnerships and communications this year you are all invited to a curriculum engagement meeting with your child's teacher. Teachers will use the opportunity to give you all a learning overview for the year ahead and how best to support your child at home. It is also your opportunity to ask questions about what your child will face over the next ten months.

The meetings will take place in your child's classroom from 1.45pm - 2.35pm.

Dates

Primary 7 Miss Finnegan 18/09

Primary 6 Miss McKay/Mrs Loy 19/09

Parent Questionnaire - October 2018

The survey will be invaluable to us in gauging parental opinion, both to know what we are doing well and where there is room for improvement. We take all feedback very seriously and we are always open-minded about ways in which we can improve. More information will follow in next update.

School Uniform

All the children look superbly well in their black footwear. Thank you for your cooperation with this.

Pupil Absences

If your child is absent for whatever reason during the school year - could we please ask that you send in a note with the child upon their return to school explaining the reasons for the absence.

Opening School Year Mass

Our mass will be celebrated by Canon Kearney on Friday 19th October at 1000. All are welcome.

Swimming

Swimming begins for P6 on Thursday 6th September.

Swimming begins for P7 on Thursday 18th October.

Swimming begins for P5 on Wednesday 9th January.

Gaelic Dress Up Day & McGreevy/Farrell Tournament

Both events will take place on Friday 14th September. Let's make the school a sea of colour and celebrate our national sport.

Library Van - (P2 to P4)

The van will be visiting the school on both the 10th and 24th of this month.

Please contact Mrs Dale in the office to see if your child is eligible for Free School Meals.

Did you know that each child on the register for FSM can add almost **£700** to the schools' annual budget from DE. So even if you don't avail of it every day, you can still make a significant difference to your school and the quality of learning on offer just by filling out a form and testing for eligibility.

Provision of sliced or chopped fruit and vegetables to children under five. (FULL LETTER ON WEBSITE)

Following concerns raised regarding the potential risk of young children choking on grapes, the Public Health Agency is issuing guidance to all primary and nursery schools in relation to the provision of grapes and other small fruits and vegetables to children up to the age of five years. In order to prevent a risk of choking, we recommend that all fruits offered to P1 and nursery school children should be sliced or chopped. Examples include apples, bananas, pears, kiwi fruit, grapes, cherry tomatoes and other seasonal fruits. This advice also applies to vegetables.

This advice is already incorporated into the leaflet 'Healthy Breaks for schools - A guide for pupils and parents'.

Current recommendations remain that children should eat five child-sized portions of fruit and vegetables every day as part of a balanced diet.

School Council Elections

Elections for P3-P7 school council will take place on Friday 21st of September.

House Cup

The school house system will resume with our x4 provincial houses from Monday 10th September. Four children from P7 will be appointed House Captains for the year.

Upper Key Stage Two Reading List

The English sections in the GL/AQE transfer tests are in some ways the **easiest** (not as many topics to revise) **and hardest** (The people who prepare the test have almost unlimited words to choose from!) **to prepare for**. The biggest indicator of success in the English is how much a child reads. This exposes them to a range of vocabulary, sentence structures, knowledge which just cannot be covered solely in school. **Get them Reading!!!** After listening to some feedback from P7 parents last year we have attached a list of books we think are both enjoyable and worthwhile for your child to read.
